

Leawo Provides a Half-Price Video Downloader to Help Download Videos from Any Site

There is a time-limited promo that is held by Leawo Company, and everybody can get a video downloader at half price throughout this promo to download any desired video for personal usage.

Shenzhen, Guangdong Aug 2, 2022 (Issuewire.com) - Adhering to the principle of user orientation, Leawo focuses on developing practical programs to help people manage different video processing tasks, particularly downloading videos from websites. This August, Leawo rolls out [a specific monthly activity](#) to offer a 50% off video downloader with a lifetime license for every client. Moreover, a free small gadget, [Leawo Screen Recorder](#), is available to everyone to record any activity with audio on a PC. Please note that this concessional promo will expire after August 31, 2022.

- **Get the freebie Screen Recorder**

Leawo Screen Recorder is quite a tiny item to capture any area of your screen and any sound from the system, requiring little storage on a PC. In regular sales, this program sells for \$29.95 for a 1-year license and \$39.95 for a lifetime license. During this 2022 August online promo, people can get the free code to activate the registered version as follow:

- * Fill in the blank with required info (name and email address).
- * Click the "Get it Now" button.
- * Copy and paste the received registration code (which is supposed to be sent to your email box) and activate the program.

- **50% off Video Downloader**

Last year, Leawo Software announced the brand-new [CleverGet Video Downloader](#), which is dedicated to grabbing free and even paid videos from most video-sharing sites. For instance, it helps people download 8K/4K/regular [videos from YouTube](#), download 1080p videos from Instagram, [download live streams from Facebook](#), and save them as MP4/MKV/WEBM/3GP formats according to personal needs. Aside from the said, CleverGet Video Downloader offers comprehensive functions like batch processing, playlist downloading, and subtitles file saving.

Now, this multifunctional program is available only at the price of \$39.97, and people can save \$39.98 at once if they catch this chance. CleverGet Video Downloader applies to both Windows and macOS, therefore people don't need to worry about the system incompatibility problem. And there are several steps to get this program only half price:

- * Locate to the area saying "50% OFF Online Video Solutions" and find CleverGet Video Downloader there.
- * Select the preferred operating system and click "Buy Now".
- * Check the info and submit the order.
- * Activate the program with the received registration code.

Please note: CleverGet Video Downloader is a single downloader module of [CleverGet toolkit](#), and various exclusive modules that apply to specific streaming platforms.
