

Lee Weiss' Elev8 Centers Aim to Provide Patients With Resources to Learn Behavioral Strategies in Times of Contingency

This Press Release is written to inform the readers that Lee Weiss' Elev8 Centers aim to provide patients with resources to learn behavioral strategies in times of contingency.

New York City, New York Aug 10, 2022 (IssueWire.com) - The professional staff at **Lee Weiss' Elev8 Centers** is focused on treating patients with great compassion. They are provided with the necessary tools to help them on the road to recovery. Thus, they promote well-being from within, and are able to attain this goal with the help of a team of professional physicians, nurses, caretakers, and therapists.

The therapies at Elev8 Centers aim to provide patients, and their friends and family with resources to learn behavioral strategies in times of contingency and to improve social and communicative skills.

Lee Weiss' Elev8 Centers is all set to open a new Substance Abuse Treatment Center in Newark, NJ in April called Elev8 Center New Jersey. It is a 200-bed Detox and Short-term residential facility focused on the care and treatment of those suffering from substance and alcohol use disorders.

Lee Weiss from **New York**, CEO of Elev8 Centers, contributes to transforming thousands of lives by getting associated with various organizations. He has been a speaker and panelist at the New York Health Care Summit for the last two years and is also a member of The Harlem Chamber of Commerce Health Care Committee.
