CALLED TO HELP THE POOR AND NEEDY

Patricia Said Adams

Matthews, North Carolina Aug 24, 2022 (IssueWire.com) - Who is in need? The needy, the sick, unjustly treated, crippled? How can we help them as Christians? How to love and understand them?

The answer to these questions is found in one of Patricia Said Adams's book entitled, "Called to Help the Poor and the Needy".

This book is a direct narrative of Biblical references to helping the poor, the needy, the foreigner, and the stranger. *"There are more than 2000 Biblical verses from the Old and the New Testament that direct us to help the poor and the needy"* the author added.

"Mother Theresa once said that the worst form of poverty is not being poor, its about not being valued"

Called to Help the Poor and the Needy gives us an idea of how we can value the poor, understanding their lives without judgment but with love and mercy, living through the commands of God.

This book is an impassioned plea to treat the poor and the needy as neighbors.

"Called to Help the Poor and the Needy "is available at her website patsaidadams.com and through Amazon and Barnes&Noble
