Moving is a huge process, from finding a mover to packing up your current home and unpacking at your new one. It's critical to make item inventories, remember to deal with utilities, and get both your stuff and yourself settled into your new home. Because moving can be time-consuming, expensive, and sometimes frustrating, planning ahead for your move can make the experience much easier.

LuggageToShip.com understands your needs and makes your big move to a new location easier. You can arrange for the shipment to be picked up on a day that suits you, and we will collect your items and deliver them directly to your destination. You can bypass bag checks, and luggage claims, and travel hassle-free by knowing your luggage and boxes will be already waiting for you at your new location.

Here is a checklist and tips for safe moving, packing, and shipping.

- Make a list of all the things that need to be moved
- Check shipping weight and sizes
- Use the correct packing material
- Don't pack prohibited items
- Attach labels correctly
- Check drop-off locations or we arrange pick-up for you
