

McCall McMorris, MSN, PMHNP-BC, Psychiatric-Mental Health Nurse Practitioner

Get to know Psychiatric-Mental Health Nurse Practitioner, McCall McMorris, who serves patients in St. George, Utah.

New York City, New York Aug 9, 2022 ([IssueWire.com](https://www.issuewire.com)) - McCall is a board-certified psychiatric-mental health nurse practitioner currently serving her patients in St. George, Utah. In order to provide her patients with the best care, she specializes in mental health, bipolar disorder, major depressive disorder, and generalized anxiety. Furthermore, she is certified in Basic Life Support (BLS).

To begin her career, she earned her Associate's Degree in Nursing in 2017 from Utah Tech University followed by her Bachelor of Science in Nursing degree in 2018. Then, in 2021, she attended Northern Kentucky University and earned her Master of Science in Nursing degree.

An expert in her field, McCall is board-certified as a psychiatric-mental health nurse practitioner by the American Nursing Credentialing Center, which is a certification body for nursing board certification and the largest certification body for advanced practice registered nurses in the United States.

A Board-Certified Psychiatric-Mental Health Nurse Practitioner (PMHNP-BC) is an advanced practice nurse that holds board certification and seeks to improve mental health care and the overall health status of communities.
