

## Medivic Aviation Air Ambulance Service in Mumbai Helps Patients with Quick Medical Evacuation

Medivic Aviation Air Ambulance can shift patients with all the necessary medical tools that are needed to keep their health of patients in stable condition.

The advertisement features a white Medivic air ambulance in flight against a light blue background with a subtle grid pattern. In the bottom left, a female nurse in blue scrubs holds a tablet. A red clock icon is positioned near the top right, next to a yellow banner with '24/7' and a dark blue banner with 'SERVICE EVERYDAY'. The Medivic logo, 'victory over suffering', is in the top left. A stethoscope with a red ECG line is in the bottom right. The website 'www.medivicaviation.com' is centered below the plane. The main headline 'Choose Us to Shift Sick Patients with Comfort and Safety' is in large, bold, dark blue text. At the bottom, a dark blue banner contains the text 'CALL US TO BOOK' and three phone numbers: '9560123309, 9264470192, 9650432705'.

Mumbai, Maharashtra Aug 2, 2022 ([Issuewire.com](http://Issuewire.com)) -

The onset of a medical emergency brings confusion, fear, and financial unevenness in the lives of the people, and all they wish for is an apt and medically furnished means of transportation to shift the ailing

relative to the center of medication for the required treatment to commence on time. The one-stop motive with which **Air Ambulance in Mumbai** ventured by **Medivic Aviation Air Ambulance** operates, guarantees stress-free transportation from one place to another for treatment and medication. Our medical crew is highly-skilled and experienced operating as healthcare professionals and dedicated to the delivery of care and comfort to the patients during the time of medical shift.

Our proficient medical staff gets assisted by a physician who is board-certified in emergency medicine, an intensivist, and a medical specialist to guide the transportation process with utmost skillfulness. The medical personnel at [Air Ambulance Services in Mumbai](#) undergo remain committed to improving the facilities delivered during the process of transportation and modifying the services as per the specific requirements of the patients. Our prominent medical staff demonstrates advanced skills onboard to appease the patients and keep them in a sound state until the journey gets completed.

### **For a Stress-Free Air Ambulance Service, Choose Medivic Aviation Air Ambulance Service in Guwahati**

**Medivic Aviation [Air Ambulance Services in Guwahati](#)** can shift patients with all the necessary medical tools that are needed to keep their health of patients in stable condition. We offer advanced life support, intensive care, and critical care facilities that maintain the stability and soundness of health of the ailing patient till the time the journey to the medical center gets completed. The urgency and quickness with which we operate make us the most appropriate alternative for shifting patients out of medical emergencies. Our medical flights are designed as per the needs of the patients and to cater to their necessities for concluding the evacuation process on a successful note.

The help desk of **Air Ambulance in Guwahati** remains accessible all around the clock to book air ambulances as per the requirements of the patients. Once we received a call from a person to shift his 12 years old child to the medical center located miles away from his current location. We took notice of the condition of the patient and found he was suffering from a cartilage fracture due to an accident and required advanced medical attention. The case was critical and required sophistication while performing the shifting process, but we managed to deliver what was excellently expected from us.
