

New Zealand Visa is available for the citizens of Denmark and Malaysia

Auckland, New Zealand Aug 25, 2022 ([Issuewire.com](https://www.issuewire.com)) - Being the launch member of the NZ eTA program, Denmark and Malaysia can enjoy the complete benefits of the New Zealand online visa. All eligible citizens can apply for the document online without visiting the local embassy for the purpose. It does not require the applicants to physically appear for verification. They can obtain the NZ eTA online which allows them to enter the nation based on various purposes of visiting such as tourism, business, and transit. New Zealand Electronic Travel Authority (NZeTA) works as an alternative to New Zealand Visa, which means it lets the citizens enjoy their visits without obtaining a visa. This is a part of the visa waiver program which was commenced in 2009.

NEW ZEALAND VISA FOR MALAYSIAN CITIZENS is directly and electronically connected with the passport and so a single document is enough for the permit. This is a mandatory document and so Malaysian citizens need to apply for the eTA for visiting. The citizens have to apply through a simplified online application form which takes only a few minutes to fill up.

It comes with a validity of two years and allows you to visit New Zealand multiple times during this period. This document is applicable everywhere whether the citizens enter the nation by air or cruise ship.

It only takes 2-3 business days to generate the eTA and the citizens are advised to apply for the document at least 72 hours before departure. The Danish citizens have to pay a nominal fee for the service which covers the eTA fee and tourist levy as well. With secure and flexible payment methods, the agency accepts debit cards, credit cards, PayPal, and many other options. Whether it is Malaysian citizens or Danish citizens, NZeTA is ready to help everyone.
