

Re-launch of Digital Marketing & Media Agency

Offers and perks for prior as well as for new customers

Greater Noida, Uttar Pradesh Aug 3, 2022 ([issuewire.com](https://www.issuewire.com)) - Re-launch of Ten Shots Cinematic Universe, a Media Production House, and a Digital Marketing Agency is confirmed on Wednesday 03rd of August by his Founder Shivang Kulshreshtha. The company was founded in the year 2017 and was temporarily on hold from the year 2021 December. When asked Shivang Replied, "Like many other Startups globally, we had to put our company on hold as after the pandemic we too had to upgrade our strategies and working module."

He also hinted that apart from Digital Marketing and Video ads, the company will now start distributing franchises to 20+ Major cities. In his last statement, he said, "Many start-ups are misusing the employees and in a recent survey conducted personally by me I have found the atrocity of these startups and I will personally make sure that these fake companies would be closed, I and my lawyers are working on it."

This is an interesting topic as many employees are facing this victimization and our sources many of such employees have contacted Shivang and planning to take the matter to the court. It would be interesting to witness how many startups claim to be superior but in reality, are just fake.
