

RestoKleen USA Now Available ON GSA Advantage!

Glendale, California Aug 31, 2022 ([IssueWire.com](https://www.issuewire.com)) - RestoKleen USA is Now Available ON GSA Advantage!

RestoKleen USA dba RestoKleen Restoration Services, ([RESTOKLEEN](https://www.restokleen.com)) a leading Water Damage Restoration & Repair Service, is pleased to announce that they have been awarded GSA-MAS (Multiple Award Schedule) Contract ([47QRAA22D009G](https://www.gsa.gov/contract/47QRAA22D009G)), and are now certified to supply commercial goods & services to the Federal Government. Acknowledging the growth in federal spending through the GSA, RestoKleen has listed its Water Damage Restoration & Repair Services on the government's electronic ordering system, [GSA Advantage!](https://www.gsa.gov/gsa-advantage)®.

"This contract opens up significantly more markets throughout the greater Los Angeles area and affords us an opportunity to continue to provide all Federal, State, and Municipal branches professional water damage restoration services as well as our advanced Mold Remediation Services," states Sera Gorgorian, Director of Business Operations at RestoKleen USA. She adds: *"Timing is critical after experiencing water damage, fire and/or smoke damage, our professionals are certified through EPA and IICRC to expertly handle these challenges in a timely and cost-effective manner."*

RestoKleen's mission is to be client-oriented and problem solvers. The company is in business to support and serve the client above anything else. RestoKleen believes in honest, transparent communication and works diligently to provide the best service possible. The company is direct with its approach with clients and appropriately sets expectations to not disappoint or discourage the client from getting their home and/or business restored back to their pre-damage state. The value that RestoKleen brings to the industry is one that sets the standard for exceptional service, cleanliness, customer service, and completing projects in a timely manner, all the while minimizing cost and labor costs.

About RestoKleen Restoration Services: Established by Hamlet Ghazanian as a small company in Glendale, California, RestoKleen USA has been providing Emergency Water Damage Services to clients since 2017. As an EPA and IICRC Certified Firm, their reputation for success is due to years of delivering superior Emergency Water Damage and Environmental Remediation Services in Los Angeles and Riverside Counties in the state of California for both the private and public sector. The company's core strength resides in its experienced personnel who are experts in the company's Mitigation and Remediation Services. For more information, please visit www.RestoKleen.com
