

## Sales Heat Up with 60% OFF Ultimate Blu-ray Toolkit for All-in-One Blu-ray/DVD Solutions at Leawo August Promo

Between back-to-school sales and late-summer deals, August is a shopaholic's dream when Leawo is offering up to 70% discounts, Screen Recorder freebie and 30% off sitewide coupon.

**Shenzhen, Guangdong Aug 16, 2022 ([Issuewire.com](http://Issuewire.com))** - August is the last official month of summer and is usually the hottest month. This month has been filled with back-to-school sales and end-of-season discounts as retailers and shoppers prepare to transition into the fall. However, with inflation above 9% and many retailers still battling declining sales, it remains an extremely difficult time to trade. If people aren't sure what's worth it and what to wait for, Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, launches their [2022 August Giveaway & Specials online sales](#), offering up to 70% discounts, Screen Recorder freebie and 30% off sitewide coupon. This activity will last until August 31, 2022.

Of all discounts, the Ultimate Blu-ray Toolkit should be the most worthwhile purchase, as this is a 4-in-1 package that includes Leawo's flagship products – Blu-ray Ripper, Blu-ray Copy, Blu-ray Creator, and Blu-ray Cinavia Removal. With this bundle, users can enjoy a one-stop solution for Blu-ray/DVD, including decrypting, ripping, and converting Blu-ray/DVD movies to video/audio files in various formats, burning photo/video files to Blu-ray/DVD content, copying and backing up Blu-ray/DVD movies, removing Cinavia watermark from Blu-ray to get Cinavia-free Blu-ray copies, and more. Now, with a 70% discount, this package is available at the price of \$147.92, saving \$221.97 for a limited time. The following are detailed introductions of these products.

- [Leawo Blu-ray Ripper](#) – It is able to rip and convert Blu-ray to various video formats, extract audio content from source Blu-ray content and save to various audio formats. Apart from that, it

can also be regarded as a Blu-ray player, Blu-ray editor, and 3D movie creator. Among them, the built-in Blu-ray editor allows you to trim video length, add video watermark, crop video size, adjust video effects, and more. With the built-in Blu-ray player, an instant media preview of the modified video is also possible. Even more powerful, it is able to create 3D movies from source 2D content.

- [Leawo Blu-ray Copy](#) – As one of the best Blu-ray copy software, it is able to copy and back up Blu-ray, DVD, and ISO files to a hard drive or blank Blu-ray/DVD disc. It allows users to compress Blu-ray content between BD100, BD66, BD50, BD25, DVD-9, and DVD-5 with high quality. Preset with 3 copy modes – Full Movie, Main Movie, and Custom Mode, it can satisfy different people with different needs. Driven by advanced Blu-ray duplication technology, all original quality, including the 3D effect can be preserved. Besides, information like subtitles and audio tracks are selectable.
- [Leawo Blu-ray Creator](#) – Also known as Blu-ray burner, this software allows users to burn videos to Blu-ray including BD25 and BD50, as well as DVDs including DVD-9 and DVD-5. Also, Blu-ray/DVD folders and ISO image files can be created. Additionally, users can burn photo slideshow to Blu-ray or DVD. With multiple templates preset, users can easily customize their photo slideshow. Like Blu-ray Ripper, Blu-ray Creator also has a built-in video editor, bringing features like clipping, trimming, watermarking, removing noise, adding 3D effects, and more.
- [Leawo Blu-ray Cinavia Removal](#) – This is one of the most professional and powerful Cinavia removal software to remove Cinavia watermark protection upon Blu-ray movies. Apart from Cinavia, it can also remove AACs, BD+, and MKB protections at the same time. It enables users to get 1:1 copies of movies in the form of Blu-ray discs, Blu-ray folders, and ISO image files without Cinavia protection, with every element like chapters, titles, and audio tracks retained. Therefore, Cinavia-free copies of Blu-ray files will play back without any Cinavia-related effects.
