

Sara Mateen, DPM, a Third-Year Resident at Temple University Hospital

Get to know Dr. Sara Mateen of Philadelphia, Pennsylvania.

New York City, New York Aug 8, 2022 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Mateen completed her undergraduate degree at Ramapo College of New Jersey. She then went on to earn her Doctor of Podiatric Medicine (DPM) degree from the Temple University School of Podiatric Medicine.

At present, she is a third-year resident (PGY-3) at Temple University Hospital in Philadelphia, Pennsylvania. Namely, she is involved in the Podiatric Medicine and Surgery Residency Program with an added credential in Reconstructive Rearfoot/Ankle Surgery.

Temple University Hospital is a 721-bed, Level 1 trauma center that supports 18 other residency programs, 11 fellowship programs, and over 500 general medical and surgery residents. Podiatric surgical residents at the hospital are expected to fulfill their academic duties bi-weekly at academic rounds. Some of these duties include case presentations, academic presentations, journal club, radiology rounds, and attendance at various hands-on workshops. Also, residents are expected to lecture to the third and fourth-year students of the surgery clinic of the Temple University School of Podiatric Medicine. on a weekly basis. Residents may also be asked to lecture on various topics for classes taken by third-year podiatric medical students.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.
