

## Shib Gold Is Offering The Most Beneficial Tokenomics In The Crypto Market

**Los Angeles, California Aug 23, 2022 ([Issuewire.com](https://www.issuewire.com))** - Based in Los Angeles, Shib Gold is an emerging crypto project which was initiated through the Binance Smart Chain (BSC) network in August of this year. Within four days of the launch program, the company witnessed a huge trading volume of \$700,000 which is the highest trending non-presale on the platform this month. This credible source for crypto investment shares 100% transparency with its clients to make it a fairly reasonable and trustworthy platform for everyone. Every trader on the platform was provided an equal chance to invest without any preference or biased attention to a group or authority. Token logistic head Jonas Martes said, "From the very start, we wanted to be a credible project that people can trust."

Shib Gold's core principles lie in transparency and integrity which is helping its goal to reach its total trading volume of 1 million dollars within a week. However, it is not a hype coin but rather a self-sustainable project with higher longevity. The company assures that every investor in the project will gain ample opportunities while the chart is green. The company charges 7% of buying and selling tax which will be divided into two sections; 4% for marketing and 3% for the liquidity pool. Phase 1 of their

successful roadmap is already completed and it is progressing with Phase 2 now. In this phase, the company is aiming to reach a minimum of 1000 holders along with a huge buzz on social media platforms. The user-friendly website is constantly updated to offer more benefits to the users.

Shib Gold has partnered with numerous Telegram influencers who are promoting their undertaking and beneficial sides of investing in the gold tokens of the company. It is inviting global crypto investors to be a part of the journey. The 24\*7 active communities on Telegram can be found at <https://t.me/shibgoldportal>, a free source to join for all. The company is currently gaining at full throttle to double its total trading volume within a week. As Martes said, Shib Gold is “here for the long run.” Visit <https://shibgold.finance> to know more.
