

# The Only NFT TO BURN 69% of ALL the Mint Sale Profits on Shiba Inu!

2022-08-08 - Burn & Earn LLC, the NFT technology company focusing on token inflation controlled by the public. B&E announced their new Burn & Earn NFT technology that burns 69% of all mint sales on tokens voted on by the Burn & Earn community.

**Chicago, Illinois Aug 11, 2022 ([IssueWire.com](http://IssueWire.com))** - The Burn & Earn LLC NFT technology will burn 69% of all mint sales on tokens voted on by the Burn & Earn community. The Ordinary Jack Series 1 is the Only NFT dedicating 69% of all mint sales to BURNING Shiba Inu (ETH). Burn & Earn is targeted to

Crypto Enthusiast, NFT Collectors, & Shiba Inu holders.

Being a Crypto & NFT Investor/Enthusiast is tough these days, 90% of ALL crypto enthusiasts lose 80%+ on their investments when the creator of the crypto project removes 80% of the liquidity to create the environments their company promised. It's a Joke what they do to their holders!

The Burn & Earn has Technology & Environment Solutions that will allow the public to become part of the B&E community. The B&E community will determine the growth of certain crypto projects & assets. All 69% of the Mint sales will be added to the Shiba Inu Liquidity, Any Shiba Inu tokens acquired by Burn & Earn LLC will be BURNED & sent to a Dead Wallet.

All Burn & Earn Ordinary Jack Series 1 holders will see inflation in their Shiba Inu holdings when all Ordinary Jack Series 1 are fully minted out. Over 200k in Shiba Inu will be burned.

Every quarter Burn & Earn will release a new NFT that will represent the token chosen to burn by the community! NFTs will be log-in keys to vote. The token DAO will be a 1 VS 2 type scenario.

# Every Vote Counts!
