

Uneecops Business Solutions Now Offers SAP Qualified Partner Packaged Solution

UBS now offers a customized SAP Qualified partner packaged solution, 'Power-Packed Package for fast-growing businesses'.

The advertisement features a blue background with the Uneecops Business Solutions logo at the top left and the SAP Business ByDesign Starter Package logo at the top right. A dark blue banner with the text 'Smart Solution for Smart Businesses' is positioned below the logos. The main headline, 'Uneecops Power-Packed Solution for Fast-Growing Businesses', is displayed in large white font. To the left of the headline, a list of four benefits is shown, each preceded by a white checkmark in a circle. To the right, a hand holds a smartphone with a glowing blue cloud and a double-headed arrow above it. At the bottom, a blue button with the text 'Free Demo Available' is on the left, the website 'www.uneecops.com' is in the center, and the 'SAP® Qualified Partner-Packaged Solution' logo is on the right.

SAP® Qualified
Partner-Packaged Solution

Noida, Uttar Pradesh Aug 2, 2022 (Issuewire.com) - Uneecops Business Solutions (UBS) is a leading provider of SAP solutions. Consistently at the forefront as India's #1 SAP Platinum partner, UBS has recently expanded its SAP capabilities. UBS now offers a customized [SAP Qualified partner packaged solution](#), 'Power-Packed Package for fast-growing businesses'. This solution enables

startups, BPOs, KPOs, and midsize companies to become efficient, make real-time decisions and automate processes smoothly.

It has out-of-the-box integration, clear tax integration, e-invoicing, bank integration, barcode integration, and e-commerce integration. With a quick deployment time period of six weeks, the Cloud ERP suite has advanced capabilities to simplify and speed up everyday work drastically. Users can now make real-time decisions with the help of embedded analytics, resulting in faster Return on Investment (ROI).

By partnering with SAP and offering its ERP products, UBS strives to address and mitigate the comprehensive challenges faced by organizations in the evolving digital world. The power-packed solution further elevates and cements Uneecops Business Solutions' position as an SAP Business ByDesign One consulting and implementation partner.

Our Senior Manager – Uneecops Business Solutions, shares that “The SAP Qualified Partner-Packaged Solution Business ByDesign Starter Package includes an integrated cloud ERP platform that can streamline all business functions, from accounting to sales, distribution and more. It gives a 360-degree view of your business - with complete scalability and affordability.”

UBS and SAP have a long and successful history of investing in innovation and co-development to help clients grow their businesses. Sharing industry and technology expertise, UBS looks forward to helping more and more businesses transform into intelligent enterprises with the power-packed solution.

The mission at UBS is to Progress Together with its customers. The company prides itself as Asia's #1 SAP Business One partner. [UBS has also been awarded SAP awards](#) for 10 consecutive years, SAP Business One Partner of the year, APJ for three consecutive years (2018, 2019 & 2020), and is also the SAP No.1 MVAR for the Indian region.

About Uneecops Business Solutions
