Vadsana K. Smith, MSN, FNP-C, a Family Nurse Practitioner with Midwest GI Health

Get to know Family Nurse Practitioner, Vadsana K. Smith, who serves patients in Lee's Summit, Missouri.

New York City, New York Aug 22, 2022 (Issuewire.com) - Vadsana is a certified family nurse practitioner currently affiliated with Midwest GI Health in Lee's Summit, Missouri.

Midwest GI Health consists of board-certified gastroenterologists, physician assistants, and nurse practitioners; all of whom specialize in the practice of gastroenterology. They are committed to providing patients with the highest quality and most up-to-date level of patient care, and make it a priority to establish a long-term relationship with them.

Academically, Vadsana earned her Bachelor of Science in Nursing degree from Graceland University in 2000. From there, she continued her education at the same educational venue, earning her Master of Science in Nursing degree in family nursing in 2005.

Remaining up to date in her field, she is an active member of the American Association of Nurse Practitioners, and The Sigma Theta Tau International Honor Society of Nursing.

On a more personal note, Vadsana attributes her success to always wanting to work in health care and being able to give back to her community.

A Certified Family Nurse Practitioner (FNP-C) holds certification and provides continuing and comprehensive healthcare for individuals and families across all ages, genders, diseases, and body systems. FNPs maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
