WARDROBE

Chicago, Illinois Aug 23, 2022 ([Issuewire.com](https://www.issuewire.com)) - Aliveshoes launches Wardrobe, a unique limited-edition running sneaker designed by Ronnie Smith. The Italian leather shoes are handcrafted by master craftspeople in Le Marche, Italy. Each pair is one-of-a-kind, combining handcrafting tradition, quality, and modern style for a product that is a great addition to any wardrobe.

The rich design features a sculpted rubber sole, soft leather inserts, and panels, as well as maxi hook-and-loop closures that provide a custom fit without laces. The upper shoe is finished with a padded ankle collar and logo placed on the tongue.

The product is available now to customers worldwide. Once you buy a pair, the custom shoes are manufactured and shipped to you. There is free shipping in the UK, USA, and Europe and free returns from anywhere in the world.

“The overall quality of the shoes is amazing. The craftsmanship of the shoe is top-notch. Wardrobe exceeded all of our expectations,” said RJ Santiago, Retailer and Wholesale Buyer of Aliveshoes.
