In order to remain up to date in his field, Dr. Welker is an active member of the American Medical Association and the American Academy of Family Medicine.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Among his various accolades, Dr. Welker has been the recipient of the Compassionate Doctor Recognition (2018, 2016), and the Patients' Choice Award (2018).

On a more personal note, he attributes his success to faith, family support, and good education. In his free time, he enjoys watching football, fitness, playing the piano and banjo, and singing.
