

141 Shooting Range Now Offers The Basic And Enhanced Concealed Carry Combination Class As One

Jonesboro, Arkansas Sep 12, 2022 ([Issuewire.com](https://www.issuewire.com)) - September 2022, Arkansas; 141 Shooting Range LLC has announced that it now provides both the Basic and Enhanced Concealed Carry classes as one class. Initially, the basic concealed carry training is offered as a single course, while the Enhanced Concealed Carry course is offered as a separate course. In short, by taking these two courses together, you can learn and master both without breaking the bank, thereby slaying two birds with one stone. How does that sound?

Before we get into the specifics, let us provide you with some background information about 141 Shooting Range LLC.

[141 Shooting Range](#) is Jonesboro, Arkansas's premier concealed carry and safety training facility. In Jonesboro, Paragould, Memphis, Little Rock, Poplar Bluff, and everywhere in between, we teach Concealed Carry, CPR, BLS, Active Shooter, Self-Defense, and Conflict Management.

Living In a world full of unpredictability, it is critical to master specific abilities to assist you to defend and protect yourself, your family, and your business when necessary. We provide one-of-a-kind concealed carry training to both individuals and groups. We provide everything you need for basic concealed carry, enhanced concealed carry, CCW renewals, and basic and enhanced combination lessons!

This is a fantastic opportunity, and you will have a huge edge because you will obtain two important certifications at the same time. We offer the [Basic and Enhanced classes to combine the two topics into a fun one-day class](#) at a lower cost than either class alone. You will also get access to our free online class, Learn the Secrets of Concealed Carry, a \$197 value, as part of the package. You will study everything from the Basic class and more, as well as complete the enhanced qualification to obtain the enhanced endorsement.

You will discover The Secrets Of Concealed Carry from NEA's Self-Defense Expert by training with us at the range.

We offer all of the alternatives available to you, whether you require only the basics or an advanced concealed carry permit program. This class will not only train you, but it will also fulfill the class need for your CCW permit. Our comprehensive package is intended to save you money as well as time.

In Jonesboro and Paragould, Arkansas, we provide concealed carry classes, handguns, CPR, BLS, and firearms training.
