Wayne, New Jersey Sep 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - European-style educational childcare center in Wayne, New Jersey.

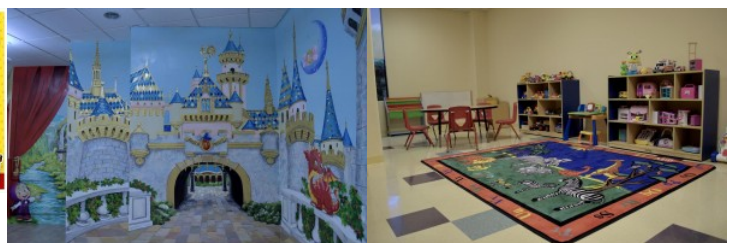

“Every child in our care is treated like family.” explained owner Yana Mikhaylov. “Our developmental approach to early childhood learning focuses on the child's skill level when the child enters our program. Our school enhances social, motor, language, cognitive, and self-help skills for our children and we offer a European, hands-on curriculum and a warm, challenging, and loving learning environment.”

The Magical Palace of Wayne is a unique early childhood educational daycare center that offers a free trial week of care so that parents can see what sets this center apart from all the others.

“Our teaching philosophy is to nurture a special place for your child’s growth and development. We let your children know that they have powers they never dreamed of,” said Yana Mikhaylov. “Whether it's bringing in guest teachers, like a ballet instructor, or karate instructor, or it's the delicious home-cooked meals that we bring in for the children on a daily basis. We really differentiate ourselves by providing a beautiful facility, with world-class teachers and a curriculum that is second-to-none.”

With over two decades of experience at the Magical Palace of Knowledge, Yana Mikhaylov decided to open a second business in her hometown of Wayne.
