Dover, Delaware Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Knowing what to do now isn't enough. We must be willing to incorporate those things into our daily lives. When life's challenges arrive, as they always do, will they find us built on the solid foundation of obedience to God and growth in Him? Are we building a solid Christian foundation?

The purpose of this workbook is to serve as a companion to the book, What Do I Do Now? Building a Solid Christian Foundation, so we apply the principles and live this out. This workbook is a tool to disciple new believers and facilitate growth. So, spend time looking through and utilizing each lesson included in the pages. You will find questions, Scriptures, faith challenges, and more to help you build a solid Christian foundation and answer the question, What do I do now?
