Shenzhen, Guangdong Sep 22, 2022 (Issuewire.com) - As a flourishing and user-oriented media software company, Leawo Software focuses on media dissemination and utility software, ranging from 4K Blu-ray/Blu-ray/DVD practical programs to mobile software.

Not long ago, Leawo Company just carried out its [2022 Autumn Giveaway & Specials](#), valid before Oct 15, 2022. During this promotion, everyone can obtain a dexterous yet powerful freebie named [Photo Enlarger](#) to upscale image resolution, enlarge and enhance images to higher quality for printing/product display/banner, and more. The method of getting this freebie is indeed simple as well, just choose the computer version first (Windows or Mac), fill out the blank box with your name and email address, and then click the "Get it Now" button.

Beyond that, Leawo has prepared an exclusive 40% discount for the ones who are seeking for [Leawo UHD Ripper](#), which is qualified to decrypt and rip 4K Blu-ray movies to hard drives or blank discs, remaining high-quality. Featuring major unique functions, Leawo UHD Ripper gained a good reputation on the market and is popular with users. As a professional 4K Blu-ray ripping software tool, Leawo UHD Ripper could not only rip and convert 4K Blu-ray movies to 4K MKV, and 4K MP4 files, but also convert Blu-ray movies to 1080P MP4, AVI, MKV, MOV, WMV, etc. You could then freely watch Blu-ray movies on TV, smartphones, tablets, etc. It comes with advanced disc decrypting features that could convert 4K Blu-ray discs with [AACS 2.0 protection](#) while some rivals have to be assisted by plugins.

Leawo UHD Ripper is now available with a 40% off discount during the newest October promotion. That is to say, everyone can get Leawo UHD Ripper at the price of \$59.97, which is the lowest price of this item ever. Compared with the regular price tag of the Leawo UHD Ripper, people can save 39.98 at once.

To acquire Leawo UHD Ripper as well as register it, everyone can refer to the step-by-step guide below:

- Pick out the compatible system version and click the “Buy Now” button
- Go to the order page and fill in the blanks with related info
- Submit the order
- Launch the Prof. Media and locate to registration panel of the “UHD Ripper” module
- Copy and paste the registration code into a blank bar, then activate it
- Done
