

Anton Shimanovsky, MD, an Internist with Stamford Health Medical Group

Get to know Internist Dr. Anton Shimanovsky, who serves patients in Stamford, Connecticut.

New York City, New York Sep 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - A prominent internist, Dr. Shimanovsky is an attending physician at Stamford Health Medical Group. As such, he focuses on a combination of medication and lifestyle in regard to the treatment of mental health and metabolic syndrome. He also volunteers with the Malta House of Care in Waterbury, Connecticut, which provides care to uninsured patients.

Stamford Health Medical Group is committed to providing personalized compassionate care, clinical expertise, and the most advanced technology for every aspect of your healthcare journey. This commitment is reflected in everything they do, from the clinicians on their team to the way they treat patients, from the way they communicate and collaborate to the thoughtful design of their spaces.

Graduating with his Bachelor of Science degree in Biology from McMaster University in Ontario, Canada, Dr. Shimanovsky went on to receive his medical degree from the Saba University School of Medicine. He completed his residency in internal medicine at Saint Mary's Hospital.

Following his training, the doctor attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
