

Australian Rapper Rome Quantez Drops His Latest Hot Singles

The hip-hop industry is getting enriched with Rome Quantez's latest musical creations namely 'Paperchase' and 'Zone', appearing in the EP 'Different Zone'.

Perth, Sep 28, 2022 ([Issuewire.com](https://www.issuewire.com)) - Creating a huge buzz in the new-age hip-hop industry, **Rome Quantez** has come up with his latest high-octane bangers. The rapper is well revered for his eclectic style of rapping that reflects his individuality and unwavering skills. The track '[Zone](#)' is one of his greatest creations that is gaining much popularity due to its powerful lyricism and energetic

musical arrangement. Filled with optimism and a potential dose of invigoration, the rapper shows his zone or his reign through music. Brutally honest, raw, and hard-hitting this track depicts the story of the hip-hop artist.

Similarly, there is another track '[Paperchase](#)' shows the money-making journey of the artist and how he strives through music and life. He is top in the game and his menacing personality helps him progress. Intense bars along with his flawless deliverance make sure the listeners are hooked to it. Just like the title suggests, the single depicts the ongoing journey of being successful. Both of the tracks '**Paperchase**' and '**Zone**' show a portion of the artist's life story. Both of these bangers appear in his latest EP project 'Different Zone'. The EP has a total of six tracks released under the label Tezer Music.

This talented hip-hop artist is based in Australia, born in Burundi. **Rome Quantez** is currently based in Perth in Australia and inspires others as one of the most well-seasoned music artists. He is a singer, rapper, songwriter, music producer, and sound engineer as well as. Follow him on Spotify to know more.
