

Avail Budget-Friendly Special Offers From Boynton Beach Dental Office

Boynton Beach, Florida Sep 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - Town Square Dentistry, a leading dental office in Boynton Beach providing top-notch dental services, is now providing special offers that customers can opt for at their convenience. Interested people can choose from the seven special offers listed on their website depending on the individual's necessities. Few consultations are offered for free, whereas few other packages are attractively priced, keeping in mind patients who are on a budget.

\$69 Emergency Exam & X-Ray

A dental emergency can often leave you worried about the budget you may have set aside for the month. A value-for-money special offer by the dental office in Boynton Beach goes a long way in eliminating the worry people have about uncertain dental emergency scenarios. The special offer named '\$69 emergency exam & x-ray' offers an essential detailed dental examination by the dentist to check what is wrong with the teeth and gums and gives proper guidance about what to do to regain the health of your teeth and gums. The special offer also includes x-rays which may be required to get an in-depth

overview of the mouth areas that the dentist otherwise cannot access.

Free Implant Consultation

The dentist may recommend multiple tooth restoration options depending on the teeth condition of the patient. Many treatment options include dental crowns, bridges, dentures, etc. Dental implants are one of the emerging tooth restoration methods. It is widely popular for its enhanced comfort, durability, and safety. To know whether you are eligible for dental implants and the various benefits it offers, the dental office in Boynton Beach is providing a free implant consultation as part of the special offer.

New Patient Special Offer For Adult Patients

New patients walking into the dental office in Boynton Beach can get dental examinations and x-rays at an affordable special offer price of \$69. The dentist will check thoroughly the teeth using x-rays to determine the presence of gum disease, tooth decay, oral cancer, etc. The dentist will also identify whether there is any need for plaque and tartar removal by adequately checking the teeth and gums.

Teeth Whitening

A stained or discolored tooth can affect how you look and make the smile look awkward. Smoking habits, drinking of certain acidic beverages, medications, and aging are some of the contributing factors to stained teeth. The dental office in Boynton Beach is providing \$100 off as part of its special offer for those who undergo teeth whitening treatment in the dental office.

Free Botox Consultation

Those looking for Botox treatment and its various advantages are provided a free Botox consultation by the dentist in Boynton Beach, FL.

Injectable Special

The dental office in Boynton Beach is offering a special offer for injectables used in botox and filler. The patient will get the injectables at a discount of \$100 and can use them only once.

Free Smile Consultation

Interested people can approach the dentist in Boynton Beach for a free smile consultation. The dentist will discuss the various options that can improve the aesthetics of your teeth, such as dental implants, veneers, crowns, and Invisalign clear braces treatment.
