

Bih Bikelle, MD, a Board Certified and Experienced Psychiatrist with Bellevue Psychiatric Urgent Care

New York City, New York Sep 9, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Bikelle is a board-certified psychiatrist with over 15 years of experience. She is the Founder of Bellevue Psychiatric Urgent Care with locations in Jacksonville, Florida & Atlanta, Georgia.

“Bellevue Psychiatric Urgent Care was founded in 2015 to serve the growing population, underserved areas, and those in dire need of psychiatric care with our same-day and telehealth visits,” says Dr. Bikelle.

“The United States suffers from a dramatic shortage of psychiatrists, leaving individuals and families without mental health services they desperately need. Our team aids in this shortage by skipping roadblocks to get immediate, convenient, and affordable mental health treatment.”

With a broad educational background, Dr. Bikelle graduated with her medical education from the University of Yaoundé 1, Faculty of Medicine and Biomedical Sciences in Cameroon. She then relocated to the United States where she completed her residency in psychiatry at the University of Nevada, Reno School of Medicine.

Holding licenses to practice in Florida, Georgia, California, Virginia, and Nevada, she has a wealth of experience practicing in various settings, including inpatient psychiatric facilities, intensive outpatient programs, substance abuse treatment centers, and private practices.

At Bellevue Psychiatric Urgent Care, Dr. Bikelle treats a wide array of conditions in adults and children over the age of seven, including major depression, mood disorders, bipolar disorder, ADD/ADHD, insomnia and sleep-related disturbances, anxiety disorders, eating disorders, post-traumatic stress disorder, alcohol use disorder, and more.

Some of the services that she offers include comprehensive psychiatric evaluations, medical second opinions, medication management, telepsychiatry, disability evaluations, IV infusion therapy, as well as independent medical exams.

“Our experienced staff will work closely with each patient to cultivate specialized, ongoing support for all mental and emotional needs” concludes Dr. Bikelle.

A fun fact about Dr. Bikelle is that her two sons serve in the kid’s department of her local church and her daughter is an after-school helper for kindergarten kids. She also loves to spend time with family and friends.
