

Blockchain Summit 2022: Ready to Set New Records In Crypto Industry

The banner for the Blockchain Summit 2022 Digital Event features a dark blue background with a network of white dots and lines. At the top left is the GDCC Blockchain Presents logo. In the center is the 'blockchain summit 2022' logo. To the right is the 'BLOCKCHAIN SUMMIT 2022 DIGITAL EVENT' text. Below this is the date 'SAT' 10TH SEPT' 2022'. A horizontal bar contains four time slots: NEW YORK 08:00 AM, LONDON 01:00 PM, DUBAI 04:00 PM, and NEW DELHI 05:30 PM. Below the bar are four partner logos: NFT Partner MUZELLA, Metaverse Partner BLISS TOKEN, Decentralized Exchange Hopium, and News Partner THE CRYPTONEWS HUB. The website 'www.blockchainsummit2022.com' is centered below. At the bottom, under 'Official Partner', are logos for RAINBOW, GDTT, VDTT, KRS TOKEN, and GDAT. The TelCrypto logo is in the top right corner.

Technology Enhanced Learning

New York City, New York Sep 6, 2022 (Issuewire.com) - Blockchain Summit 2022 is a virtual event that will take place on September 10, 2022. The Summit will be streamed live to an audience of about millions of virtual attendees from all over the world.

The Blockchain Summit is the biggest blockchain event of the year, and it brings together over a million virtual attendees from more than 80 countries, 15+ speakers, and investors looking to fund blockchain start-ups. You'll find everything blockchain at this event: ICOs, regulation, trading, investment, fintech, and cybersecurity. If you're curious, excited, or even confused about blockchain, you'll find answers here. For blockchain businesses, the event is an opportunity to find the right partners and investors to grow their businesses. For blockchain beginners, the Blockchain Summit is a place to learn how to get started.

The Blockchain Summit 2022 event is a 5-hour program being Organized by Tel Crypto. The goal is to build awareness of the broad array of career opportunities in Blockchain available to students and adults.

The Blockchain Summit will provide an opportunity for blockchain business owners, startups, and individuals who are thinking about moving their businesses forward onto the blockchain by utilizing funding opportunities and expert guidance.
