How to get CSX$?

There are different ways to get CS$

- Swap CSX to CSX$ directly on the Coinstox platform, (+Bonus!)

- Get CSX$ on the Coinstox DEX & P2P Exchange (Q4).

- Get a project successfully funded and paid out in CSX$.

How to sell CSX$?

Sell CSX$ on the Coinstox DEX & P2P Exchange (Q4).

What is the Swap Bonus?

It is a daily arbitrage opportunity that can be achieved by buying CSX on XT.com/LBank and selling it for CSX$ on the Coinstox platform. (https://swap.coinstox.io/#swap)

Where to use CSX$?

In the entire Coinstox Ecosystem and on external platforms.

How does CSX$ maintain its price at 1 USD per token?

CSX$ relies on a smart contract that uses seigniorage shares to maintain a stability of 1 USD.

Why does the amount of CSX$ change in my wallet?

The smart contract burns CSX$ when demand decreases and

the value drops below 1 USD and issues a new CSX$ when

demand increases and the value rises above 1 USD

Does the Swap to CSX$ affect the price of CSX?

Yes, in a positive way. By exchanging CSX to CSX$ on the Coinstox platform, the demand for CSX is increasing.

The swap is executed through a smart contract only and therefore does not have an adverse effect on the CSX value.
