

Convenient Indian Visa Program Indian Evisa Will Give You Hassle-Free Entry Into India

New Delhi, Delhi Sep 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - Visa is a mandatory document for all foreigners trying to enter India. Indian Visas can be collected in two ways; one is the paper visa that is collected from the Indian embassy. The other one is the more convenient electronic visa that is collected online. This Indian eVisa or Electronic visa can be collected from anywhere in the world which makes it even more favorable for foreign citizens.

For Japanese and Thai citizens, this process of collecting visas online is now available and is undemanding and more convenient. Applicants from both these countries can now secure their entries through this Indian eVisa without visiting the Indian embassy. There are three types of visas that Japanese and Thai citizens can apply for visiting the country; Indian tourist visa, Indian business visa, and Indian medical visa.

Since 2014, the government of India has made this program available for both countries' citizens and the visas are applicable in terms of visiting the country by air or cruise ship. These eVisas for both Japanese and Thai citizens are available for short-term visits that range between 30, 90, and 180 days per visit and are depending on the purpose of the visit. For tourist visas, the availability is of 1 month, 1 year, and 5 years and for business purposes, they are valid for 12 months.

The process is simple and hassle-free and citizens of Japan and Thailand will require a valid email id, an ordinary passport that is valid for 6 months, and a credit or debit card or PayPal. Well, information on visa for Japanese citizens are now available at <https://www.indiavisa-online.org/india-visa-eligibility/india-visa-for-japanese-citizens>. On the other hand, Thailand citizens can visit <https://www.indiavisa-online.org/india-visa-eligibility/india-visa-for-thai>

The process of filling out the application online only takes 2-3 minutes and the visa is available within 3-4 business days at the earliest. So it is always recommended to apply for electronic visas at least 4 days before arrival in India. After the successful completion of the process, it will be sent to the citizen's email address which then they can carry in their phones or print out a soft copy at the time of their arrival.
