

Dangbei sponsors Serbia in FIFA 2022 World Cup

Los Angeles, California Sep 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Dangbei](#), a Chinese company is one of the sponsors of the 2022 World Cup in Qatar.

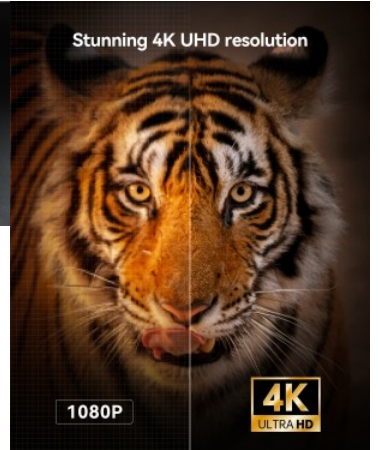

The World Cup in Qatar is not only a tribute to the classics but also a World Cup for young people. **It is worth noting that Dangbei, a Chinese projector brand, is among the eight top global sponsors of the Serbian national team along with Vivo, a Chinese phone brand.**

As a well-known Chinese intelligent large screen service provider, Dangbei is a comprehensive platform-type enterprise with a software matrix, intelligent system, and hardware R&D, and currently has over 200 million users. In 2021, Dangbei stepped into the international arena with its powerful flagship projector---[Dangbei Mars Pro](#) 4K laser projector. It brings a lot of home entertainment and focuses on home joy for families in the world.

Dangbei has favorable product development and customer service capabilities and is well positioned to provide customers with excellent after-sales service. Being studied deeply in the projectors field, [Dangbei](#) will do more in product development and technology enhancement to provide smarter and more intimate projectors for projector users worldwide.

The World Cup has a truly global reach, with the ability to influence and inspire billions of people around the world. vivo and Dangbei have contributed to promoting the intrinsic value of sport, helping to inspire millions of people to have fun and provide a unique experience for consumers around the world.

The FIFA World Cup, which began in 1930, is one of the most famous sports competitions in the world. Since then, it has created a special place in the hearts of fans around the world. **This year, the event will take place in Qatar on November 21, 2022.**
