Rated #1 dentistry in Oceanside, the mission of Daniel Vasquez DDS & Associates is to deliver the very best cosmetic and complete health dentistry along with unprecedented customer service all the while keeping patients relaxed and comfortable.

Graduating from La Universidad of Guadalajara in Mexico in 1989, Dr. Vasquez opened his private practice in Oceanside, California in 1999. In addition to his Doctor of Dental Surgery degree, he completed special training in oral surgery, endodontics, dental implants, orthodontics, conscious sedation, and cosmetic dentistry at the Las Vegas Institute for Advanced Dental Studies.

To stay abreast of the latest techniques and procedures in dentistry, Dr. Vasquez regularly attends continuing education courses and seminars. His years of experience allow him to better educate his patients on the treatments available to them and help put their minds at ease by addressing any concerns they may have about their treatment, financial issues, or appointment scheduling.

An international speaker, he has traveled all over the world showing other dentists how to implement Dr. Vasquez's techniques in their own practice.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries, create beautiful smiles, and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Vasquez speaks both English and Spanish.
