

DermaAngel Acne Patch For Night Receives Watsons Most Wanted Awards

Registered under Act 737
MDA Reg No: GMD97120193517A

Kuala Lumpur, Malaysia Sep 5, 2022 (Issuewire.com) - DermaAngel [Acne Patch](#) for night received Most Wanted Awards at the Watsons Health, Wellness and Beauty (HWB) Awards 2022 in Malaysia. It is a special annual event of the beauty and personal care industry, which recognizes and celebrates all of the best products in the health, wellness, and beauty categories.

DermaAngel Acne Patch effectively promotes acne faster healing and reduces scarring. It comes in a day and night version, which provides complete clear-acne nurturing treatment for a fresh, beautiful face. Its night version contains a thickened absorbent layer that enhances pus absorption and nurtures all night to heal acne. It satisfied customers by giving them an ultra-thin appearance with up to 0.01cm edge and an ideal level of adhesiveness. Watsons shoppers voted DermaAngel Acne Patch Night as their most wanted acne patch for the night.

Over the years, DermaAngel has successfully gained trust from beloved customers thanks to its solid product quality. The stable quality of their acne care series takes the brand to a higher level of the competitive environment with confidence. In recognition of their product's outstanding performance in Watsons, DermaAngel Malaysia will always strive to surpass the needs of consumers and offer the best result by providing them with trustworthy acne care products. DermaAngel is believed to ensure its high standards in solving consumers' skin troubles. To know about their acne care products in detail, visit them at <https://derma-angel.com.my/>.
