

Dimples Horse Treats - Source It Directly From Manufacturer

Dimples® Horse Treats are a great everyday treat and a great training motivation. You only need one soft Dimples® Horse Treat to help administer any kind of medication.

Lexington, Kentucky Sep 27, 2022 (Issuewire.com) - Dimples® Horse Treats are an excellent choice for administering medication to your horse or as a training reward.

This is an effective solution that contains natural nutrients such as flax seeds, wheat bran, beet pulp, and so on.

Simply insert the pill into the dimple, shut it with a pinch, and feed it to your horse!

Source the goodness directly from the manufacturer of these amazing horse treats:

1. It is a nutritious snack that is packed with whole grains, crushed flax, and beet pulp.
2. This treat is an excellent reward/training device for horses of all breeds.
3. Dimples Horse Treats are the only soft and pliable goodies with a "Pill Dimple" for medication administration.
4. The pill dimple conceals the taste and odour of the medication, transforming pill time into a treat time.
5. This delicious treat has a long shelf life of 12 months or more with no mould!
6. We offer a reusable bucket that's dishwasher-safe.
