

Dr. Reza Dehdab successfully opens a Radiology Clinic along with Beauty Clinic Chehrehsho

Tehran, Iran Oct 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Professional radiologist, Dr. Reza Dehdab has proved himself a successful entrepreneur in Iran with his new ventures in Radiology. This 30-year-old young entrepreneur is the founder of the biggest eyebrow transplantation clinic in Iran. And now, he has come up with a new radiology clinic as well. In this clinic, the patients can get a whole diagnostic radiological examination as well as interventional radiology. Therefore, minimally invasive procedures like TACE and PTBD are available as well which can help to treat liver malignancies. The clinic is established in Tehran and looking forward to being more convenient for the treatment of cerebrovascular diseases in the acute phase.

The radiology clinic is also a training center for neuroradiology that is preparing itself to train more doctors, physicians, and medical staff to handle critical cases in the radiology department. Based on a 1000 sqm area with four floors, this clinic has currently 53 medical staff employees along with nurses and experienced doctors in the field. There are 2 MRI devices, 2 CTs, 2 X-rays, 5 sonography units, and a DSA device. The clinic can perform neuro interventions in the acute phase of cerebral strokes. Dr. Reza Dehdab has done a remarkable job in creating this foundation that is going to help a lot of patients in Iran.

Previously, this Persian Radiologist and entrepreneur established a technologically advanced beauty clinic known as Chehrehsho. This clinic offers a variety of services for hair, eyebrow, skin, and the whole body. Starting from beauty injections, laser treatment, and cosmetic surgery to eyebrow plantation, botox, and many other services can be obtained from this clinic with proper guidance from the experts. With the latest radiology clinic, [Dr. Reza Dehdab](#) is making history. Find out more about him on [Instagram](#) and [Twitter](#).
