Autumn's welcome from Leawo Software is as warm as the summer. People can get up to 70% off products, 30% off sitewide coupon and Photo Enlarger as freebie from Leawo's August Deals.

Shenzhen, Guangdong Sep 8, 2022 (IssueWire.com) - Autumn is a time when people can hear the crunch of fallen leaves under their feet, see the trees changing to gold, and feel the last warmth of summer. At the same time, people can take advantage of the autumn offers to stock up for winter with a few months to come. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, just launched their [2022 Golden Autumn Giveaway & Specials online sale](#). Until Sep. 30, 2022, people can enjoy up to 70% discounts on their sitewide products. What's more, for every participant, Leawo generously offers [Photo Enlarger](#) for free to upscale image resolution and enhance photo quality. Users only need to enter their name and email address on the event page to get the activation code.

Although there are many deals in this event, the biggest discount is the 70% off Leawo All-in-One Bundle. This multimedia package covers all 4K Blu-ray, Blu-ray, DVD, video, audio, and photo solutions, including Prof. Media 11, Prof. DRM, Phtolns, iTransfer, and up to 22 others. For a limited time, it only costs \$167.88, saving \$391.8. That said, a single piece of software costs just under \$7.8. Those who want to know more about this package can take a look at the detailed introduction below.

- [Media 11](#) - This is Leawo's largest existing package which includes 11 multimedia solutions to convert, copy, burn and rip videos, DVDs, and Blu-rays, remove Cinavia and other protections, edit videos, make photo slideshow, and so on.

- DRM – This software is created to remove DRM. No matter DRM from iTunes movies, TV shows, music, audiobook, Spotify music, eBook, etc., can be removed with 100% original quality reserved.
- [PhotoIns](#) - In addition to the Photo Enlarger mentioned above, this package also contains Photo Enhancer and Photo BG Remover. It is able to enhance photo quality, remove and change photo backgrounds, as well as enlarge photos.
- [CleverGet Video Downloader](#) – As the successor of Leawo Video Downloader, this software is more powerful for video download. It can download up to 8K videos, movies, TV shows, live stream videos, and music videos from 1000+ websites.
- iTransfer – This software, as one of Leawo's established products, can back up and transfer up to 12 kinds of files like photos, videos, music, SMS, etc. between iOS devices, iTunes, and computers, without the restriction of iTunes.
- Music Recorder – This should be one of the most comprehensive audio recorders. Because it can not only record audio from a microphone or other input audio streams but also record computer system audio and online audio.
- Tunes Cleaner – This is an all-in-one music library cleanup software that can intelligently clean up the iTunes library, precisely delete duplicates and manually edit music tags to make music libraries well-organized.
- [UHD Drive Tool](#) – This software is in response to the popularity of the 4K Blu-ray. It enables users to downgrade firmware on their 4K Blu-ray players to UHD-friendly versions for smoother 4K UHD Blu-ray ripper, copying, and playing.
