

Enter Canada In A Hassle-Free Way With The Help Of Canadian E-Visa

Vancouver, British Columbia Sep 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - Entering Canada for foreign citizens requires a visa, which can be collected in two ways. People can either get the mandatory Canada visa on paper from the Canadian Embassy. And the other one is online through the electronic Canadian visa. Applicants and citizens can now apply for a Canadian electronic visa from anywhere in the world and the entire application process takes not more than five minutes.

Canada is a heaven on earth for tourists and has become one of the most famous and popular tourist spots over the years. There are several picturesque places to visit and Alberta, Canada's only landlocked province is one of them. This diverse natural beauty includes snowy peaks of mountains, glaciers, and lakes, wild forests in the North, and flat prairies. Other than this, there are also the Banff National Park and Jasper National Park, the two most popular national parks in Canada. Calgary Stampede is also another tourist attraction, famous for its ten-day rodeo event. You can know about these spots in detail by visiting: <https://www.canada-visa-online.org/must-see-places-in-alberta-canada/>

For citizens of the Netherlands and Portugal this electronic Canadian visa is available which does not require them to visit the embassy and the visa will be received by email. The Portuguese citizens can now apply for the e-Visa in an uncomplicated way because the country was a launch member of this program. With this government-supported visa program, Portuguese citizens can visit the country and stay up to 90 days for purposes of tourism, business, transit, or medical purposes. For more information, you can visit: <https://www.canada-visa-online.org/canada-visa-eligibility/portuguese-citizens/>

Similarly, Dutch citizens can also avail the advantages of this e-Visa program which was launched in 2016. The Netherlands was also a launch member of this program and this Canadian visa will be valid for 5 years where the citizens can visit the country throughout these 5 years with the validity of an eTA Canada visa. For more information kidney visit: <https://www.canada-visa-online.org/canada-visa->
