

Enter India Conveniently With The Country's Online Process Of E-Visa

New Delhi, Delhi Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Entering India for foreigners requires a mandatory visa. This can be collected in two ways, one is done by visiting the Indian embassy and collecting the paper visa. The other one is online by visiting the site of Indian e-Visa and applying for it. The entire process can be done online from anywhere in the world which makes it even more convenient for foreign travelers. Now US citizens and Bulgarian citizens can apply for the electronic Indian visa by applying online as well. For citizens of both these countries, an online application for India is by far the best way to fasten the visa process.

Bulgarian citizens who have valid passports can easily apply for an Indian electronic visa online. The service has been available for Bulgarian citizens since 2014 and they do not need to complete any paper-based formalities. They can easily visit: <https://www.india-visa-online.org/indian-e-visa-eligibility/bulgarian-citizens/> and complete the procedure which is supported by the government of India. Bulgarian citizens do not need to courier any documents to obtain an Indian e-Visa. At the time of arrival, they can either carry the soft copy on their phones or laptops or carry the print of a hard copy of the visa.

For U.S citizens, if they are planning to visit India for a short period they can easily get this done online without any extra hassle. For US citizens there are specific categories which are, e-tourist visa, e-business visa, e-medical, e-medical attendant visa, and e-conference visa which are decided based on the visitation purpose.
