

Entering Turkey Has Now Become Easier With The Online Electronic Visa

Republic of Turkey Electronic Visa Application System

Istanbul, Turkey Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - World famous travel destination Turkey requires a visa from all foreigners to enter the country. This visa can either be collected from either the Turkish embassy or visa online through the electronic visa application process. The online visa process is available 24*7 where people from anywhere in the world can be done in just a few minutes making this process even more convenient. Applying for the electronic visa online for foreign citizens means there is no requirement to visit the Turkish embassy for them and there will be no involvement of any paper document. Now for citizens of India and Indonesia, this online electronic visa application process is available, which is by far the best way to get a visa and enter Turkey.

Indian citizens who are planning to visit Turkey for short stays are now eligible to apply for the electronic visa online for the visitation purposes of business, tourism, transit, or medical. For Indian citizens getting a Turkish visa before entering the country is not optional but a mandatory requirement. The online application requires minimal details such as personal details, contact details, details of the passport, etc. With the Turkish electronic visa, Indians can stay up to 30 continuous days in the country. However, this electronic visa of Turkey is a single visit visa for Indian citizens. For Indonesian citizens, mandatory visa holding is a requirement as well and that can be easily done

with the usage of this online electronic visa application process. This program of Turkey e-Visa was launched by the "Ministry of Foreign Affairs of the Republic of Turkey" back in 2013. The Indonesian citizens who will be applying for the Turkish e-Visa must have a passport that is valid for at least 6 months after they complete departure from Turkey. For further information and details, kindly visit: <https://www.turkey-visa-online.org/turkey-visa-eligibility/indonesian-citizens/>

The citizens of both these countries only require a valid passport, a valid email address, and a valid payment method, such as a debit card, a credit card, or PayPal to complete the process which can be completely done in just 5 minutes.
