Singapore, Singapore Sep 20, 2022 (Issuewire.com) - Estreetmart - Online Shopping Site in Singapore

For all the Indian Food and Product-Lovers out there in Singapore, Estreetmart brings to you a range of Indian Grocery items, health essentials, beauty products, and organic supplies that are bound to keep you coming back for more. The Singaporean online shopping site is focused on curating and bringing to its customers the best of all brands, and makes them available for purchase in one place.

The owner of Estreetmart was quoted saying, "Singapore and its love for Indian products was the prime inspiration behind my intent to build an online shopping site. This e-shopping site will have all the Desi-Products that would satiate the taste palates of Indians residing in Singapore. I hope, in near future, native Singaporeans too would become our key customers."

What is so Unique About its Service?

- All the products are obtained from authentic and verified sellers, so there's no question about the quality being compromised.
- The payment gateway is 100% secure and it supports a range of payment methods. Free and 24/7 customer support is another feature that they take pride in.
- Delivery of all products is done safely and hygienically; and if there are queries or complaints (a rare occurrence, of course), the customer support team would be all ears and will be more than just willing to help.
- The site gives out daily offers and discounts. The basic prices of products too are the most affordable rates in the market.
