

Ike Eni, MD, an Internist with ENIHEALTHCARE

Get to know Internist Dr. Ike Eni, who serves patients in The Woodlands, Texas.

New York City, New York Sep 23, 2022 ([Issuewire.com](https://www.issuewire.com)) - A board-certified physician, Dr. Eni is an award-winning globally recognized internist and primary care physician serving patients for the last three decades at ENIHEALTHCARE.

Having been a resident of The Woodlands, Texas since 1999, he offers diagnosis and treatment for many health conditions affecting adults. These include common problems like allergies, sinus, asthma, high blood pressure, high cholesterol, diabetes, urinary tract infections, medication reconciliation and management, hospital follow-up, coordination with specialists & referrals.

“At ENIHEALTHCARE, we develop a long-term relationship with the patients and our primary concern is their health. We empower patients to make conscious healthcare decisions. Our providers perform physical exams, develop care plans, and perform diagnostic tests on the patients to ensure optimum care delivery. The team focuses on preventive care including heart attack and stroke prevention, preventative screenings, plus patient education. They encourage patients to proactively maintain optimal health with routine wellness exams. We develop a customized treatment plan for every patient according to the person’s health and well-being” as stated on their website.

Hailing from a family of physicians in Nigeria, Dr. Eni graduated with his medical degree from the highly renowned University of Ibadan in 1982. He then relocated to the United States, completing his residency at the renowned Chicago Medical School.

Certified by the American Board of Internal Medicine, he is a member of the American College of Physicians, the American Medical Association, and the Texas Medical Association.

With a reputation for providing exceptional medical services, Dr. Eni is affiliated with several local hospitals. These include Houston Northwest Medical Center, Saint Luke’s Community Medical Center - The Woodlands, Memorial Hermann The Woodlands Hospital, and Nexus Specialty Hospital - The Woodlands Campus.

Involved with a lot of charity organizations, his main goal is a collaboration with his patients to empower them towards achieving optimal health. Looking toward the future, Dr. Eni intends to experience the continued growth and success of his career.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Locally and globally, Dr. Eni has accumulated numerous, outstanding awards, including Top Internist 2022 by Findatopdoc; Houston Top Doctor 2019; Physician of the Year Nominee by The Woodlands St Luke’s Hospital; Trademark Top Doctors of America 2018; Houston Top Doctor 2015-2017; Leading Physician & Top Internist Woodlands 2017 by The International Association of Internists; UT Health Certificate of Appreciation 2017; Houston Top Professional 2016; National Health Information Awards Winner 2015; Diabetes Care Recognition, and much more.

Caring and attentive to his patients, Dr. Eni attributes his success to personalized, comprehensive care for the patients and a commitment to giving the best healthcare.

Happily married, he and his wife have three children.
