

Indian E-Visa, The Ultimate Convenient Visa Program, Guarantees Your Fast Entry Into India

INDIA
eVISA

New Delhi, Delhi Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - For foreigners to enter India, a visa is the most important requirement. This can be collected in two ways, one is through the Indian embassy in a paper form. The other one is the easier e-Visa that is now available for Norwegian, Latvian, and Japanese citizens. The entire visa process is online which makes it even more convenient. This electronic Indian visa application can be collected via email addresses online as well. The citizens can be from anywhere in the world which makes it even more convenient for the users and citizens.

The Japanese, Latvian and Norwegian citizens can now avail this opportunity for getting a visa online which will not require them to visit the Indian embassy. There are a total of three types of Indian visas that are available online. The first type is Tourist e-Visa for India which is available for 1 month, 1 year, and 5 years. The second type is Business e-Visa for India which is available for 12 months or 1 year and lastly, the 3rd option is Medical e-Visa for India. Well, Norwegian citizens can get more information at <https://www.india-visa-online.org/indian-e-visa-eligibility/norwegian-citizens>. Also, Latvian citizens can know more from <https://www.india-visa-online.org/indian-e-visa-eligibility/latvian-citizens>.

The application process can be done online in just a few minutes and the website is extremely user-friendly which makes the process even easier. The requirements are a valid email address, a credit card, a debit card, or PayPal, and a valid passport. The citizens of these three countries can use the electronic visa for multiple times up to 5 years. They can also utilize the visa for a 180-day continuous, and uninterrupted entry into India. At the time of visitation or entering the country, citizens can carry the hard copy or the printed paper with them or else the soft copy on their phones and laptops. However, Japanese citizens can visit <https://www.india-visa-online.org/indian-e-visa-eligibility/japanese-citizens> to get further details.
