

Indian Online Visa Is Available For Australian And European Countries

New Delhi, Delhi Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Indian eVisa program has significantly enhanced the process of visa generation for foreign citizens. Travelers around the globe can easily obtain an eVisa and embark on their journey to the nation. As New Zealand and Switzerland has been the launch member of the Indian eVisa program; the citizens of those countries can enjoy the complete benefits of it. Indian eVisa is quite easy to generate and it does not even require visiting the local Indian embassy for the purpose. The foreign citizens can generate it online and the eVisa document will be sent to every individual applicant via email. The eVisa allows visiting India for various purposes whether traveling, business, transit, or medical emergencies.

INDIAN VISA FOR NEW ZEALAND CITIZENS can be obtained by submitting the online visa application form. It takes only a few minutes to fill up this simplified form and any eligible person can do that at their convenience. This eVisa comes with a validity of 5 years and during this phase, foreign citizens can visit India several times as it is a multiple entry visa. The citizens of New Zealand can enjoy 180 uninterrupted days for a single stay. This visa offers allows entry through 5 seaports and 28 airports around the globe. For more details, visit <https://www.india-visa-online.org/indian-e-visa-eligibility/new-zealand-citizens>.

Similarly, INDIAN VISA FOR SWISS CITIZENS offers all the benefits of eVisa for various purposes. Based on the purpose, the validity of the visa can vary. Such as, a tourist eVisa for India comes with a validity of 1 month, 1 year and 5 years whereas a business eVisa for India is valid for 12 months only. It takes only 3-4 business days to obtain the visa however, foreign citizens are suggested to apply for the visa at least 7 days before departure. The travelers have to pay a nominal fee for the fast and effective visa service and that can be done via various payment methods such as PayPal, debit cards, credit cards, etc in 1 of 137 currencies.
