Get to know Nephrologist Dr. Kimberly Fremin, who serves patients throughout the State of Louisiana.

New York City, New York Sep 30, 2022 ([IssueWire.com](https://www.issuewire.com)) - Well-versed in the field of nephrology, Dr. Fremin tends to patients at her private practice - Southern Kidney Specialists, LLC - with offices in Luling, Metairie, and Gretna, Louisiana. She also sees patients admitted to St. Charles Parish Hospital, East Jefferson General Hospital, Ochsner Westbank Hospital, and West Jefferson Hospital and tends to dialysis patients in St. Charles and Jefferson parishes.

The team at Southern Kidney Specialists, LLC provides care for a wide range of kidney diseases including chronic kidney disease, hypertensive kidney disease, diabetic kidney disease, hyperkalemia, hypokalemia, hyponatremia, hypernatremia, proteinuria, outpatient dialysis, kidney stone prevention, and other kidney related diseases.

Originally from Kenner, Louisiana, Dr. Fremin went to LSU-Baton Rouge for her undergraduate degree and earned her medical degree from LSU-Shreveport. She completed her internal medicine residency and nephrology fellowship at LSU-New Orleans.

Following her training, the doctor attained board certification in internal medicine and nephrology through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Nephrology is a specialty of medicine that concerns itself with the kidneys. It is the study of normal kidney function and disease, the preservation of kidney health, and the treatment of kidney disease, from diet and medication to renal replacement therapy. Nephrologists have advanced training in treating kidney disease. They diagnose and treat kidney failure, as well as help patients by prescribing medications, offering unique diet advice, and coordinating dialysis care or kidney transplantation when it becomes necessary.
