

Leawo September Sales: Up to 70% OFF CleverGet Video Downloader to Download Videos from Any Website

Leawo Software's latest September sale offers people up to 70% off CleverGet Video Downloader, a program for downloading videos from any website. Plus, there are 30% site-wide coupons and free Photo Enlarger.

Shenzhen, Guangdong Sep 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - Reports that consumers spent much more than expected in September contradicted expectations of a pullback caused by widespread supply chain issues. Perhaps the increase in spending is due to the continued decline in coronavirus cases. To celebrate the gradual economic recovery, Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, launches their [2022 August Giveaway & Specials](#), from where people can get up to 70% off singles and bundles, 30% site-wide coupon and free [Photo Enlarger](#). This event will last until Sep. 30, 2022. For shoppers looking to get something out of it, it's time to seize the opportunity.

Although there are many products worth purchasing at this event, such as 70% off All-in-1 Bundle, 60% off Ultimate Blu-ray Toolkit, etc., the most surprising thing is that the newly launched [CleverGet Video Downloader](#) is also participating in this event with a discount of 50%. Plus, it has a 70% discount on the All-in-1 bundle. That said, consumers can save up to \$39.98 during this event.

As one of the best video grabbers, CleverGet Video Downloader can [download videos from any website](#), such as YouTube, TikTok, Twitter, Instagram, and more. Apart from the common video clips, movies, TV shows, web series, and music videos, it can even download live stream videos via direct live video URL or the M3U8 link. All videos can be saved as MP4 or MKV files in up to 8K resolution. What's more, it supports playlist downloading and multi-tasking, which allows users to download a maximum of 5

videos at the same time. To boost the efficiency better, it is also equipped with the latest hardware acceleration technology, which downloads videos at 6x higher speed.

What's even more surprising is that CleverGet Video Downloader is just one of the modules of CleverGet, while the other modules are specially created for paid services such as HBO Max, Hulu, Netflix, Disney+, etc. Among them, the [Disney+ Downloader](#), Amazon Downloader, and Netflix Downloader participated in this event. With a 50% discount, shoppers can obtain them for as low as \$29.97 and save up to \$149.94. In addition to Video Downloader's features, these paid service downloaders can detect all audio tracks and subtitles in different languages for users to download. Also, the subtitles can be saved as independent SRT or SUP files, or remixed into the output videos. Therefore, with this software, users can easily [download movies and shows from Netflix](#), HBO Max, Hulu, Amazon Prime, and other subscription-based platforms according to their needs.

For those who didn't find the right product for themselves at this event, don't be discouraged. Leawo Software has prepared a gift for everyone – a Photo Enlarger freebie. As its name suggests, it is an image more upscale to increase image resolution and enhance photo quality. Like CleverGet, it also supports batch processing and hardware acceleration. To get this software for free, simply enter your name and email address on the event page, and a free registration code will be sent to the email address immediately.
