

Lisa Arnold, ANP, an Adult Nurse Practitioner with SIH Brain & Spine Institute

Get to know Adult Nurse Practitioner, Lisa Arnold, who serves patients in Carbondale, Illinois.

New York City, New York Sep 14, 2022 ([IssueWire.com](https://www.issuewire.com)) - Lisa is an adult nurse practitioner specializing in interventional pain management and neurosurgery currently serving patients at SIH Brain & Spine Institute located in Carbondale, Illinois.

Before embarking on her professional journey, she earned her Bachelor of Science in Nursing degree from the Lakeview College of Nursing and received her adult nursing practice degree from Vanderbilt University. Furthermore, she is a professional member of the American Association of Nurse Practitioners and the Society of Critical Care Medicine to remain up to date in her field.

On a more personal note, Lisa attributes her success to support from her husband.

Adult nurse practitioners are advanced practice nurses who specialize in providing primary care to adults in a variety of settings, such as hospitals, outpatient clinics, ambulatory care settings, physicians' offices, community-based clinics, and health care agencies. The adult nurse practitioner functions as a primary care provider and focuses on maintaining health and wellness in acute and chronic illnesses.
