

Meet Idea Homes in Bangkok at Golden Visa Seminar in September 2022

Portugal Golden Visa Event

Bangkok, Thailand
September 10th & 11th

IDEAL HOMES 
Portugal

Real Estate industry for offering exclusive properties for investment. The company is all set to empower global clients through the upcoming event of Golden Visa Seminar. The seminar is taking place at Grande Centre Point Terminal 21 Hotel in Bangkok, Thailand. The seminar will run for two days on a weekend, the 10th and 11th of September. This latest Golden Visa Investment Seminar is limited to only 40 attendees each day and so the investors and citizens, who are looking forward to buying prime European property, are recommended to join the event. Real estate agents, property specialists, legal advisers, and many others will join the event to guide the customers.

The scheme of Portugal Golden Visa allows proceeding with citizenship and permanent citizenship after 5 years of investing in the real estate industry. Not only in Portugal but, this Golden Visa is applicable all over the EU. Enrolling in the scheme allows users to visit Portugal without any visa. At first, the foreign citizens can stay for a shorter period of one week only which later increases up to 2 weeks. After 5 years of investment, the users can finally obtain a permanent visa to live in Portugal along with its stunning beaches, warm climate, delicious cuisine, and laid-back attitude.

The latest event of the Golden Visa Seminar in Bangkok will provide a handful of benefits to the attendees. They are able to meet Chris White in person who is the owner of Ideal Homes Portugal. Attendees will be empowered via special offers provided at the event. The first 10 properties purchased from the event will offer a huge benefit of getting a 10% discount on property price. Most of the luxurious apartments, villas, penthouses and other options are available in Algarve. However, the users are also able to find other attractive options in different regions of Lagos. All of these real-estate properties are a high-yield investment that offers a better return on investment.
