Moonion which is a new crypto project Token has Got themselves live on Bitcoinlfg Media Giant

Dubai, United Arab Emirates Sep 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - \$MOONION currently offers NFTs & P2E games, as well as a fully, build marketplace with INTEGRATION (coming soon). A major utility development is in the works that will be mind-blowing to the \$MOONION holders.

\$MOONION NFT will soon be live to members & soon to the entire crypto-minded community as a whole.

We here at \$MOONION believe that crypto can be both safe and fun for everyone, and are aiming to create an investor-safe COMMUNITY on the BSC (Binance Smart Chain). COMMUNITY will have a voice in decisions & integrate their ideas to further enrich themselves, and others with both profits & knowledge.
