About Thebagsmiths

Founded as THE BAGSMITHS in 1989, the corporation created a gap marketplace for itself and drove the product into the limelight at a time even as the principal opposition turn out to be very reasonably-priced plastic luggage. In the one's days, the environmental issues around plastic luggage have been no longer as big in India, as they may be today. The [thebagsmiths](#) turn out to be extra Concept promoting and are no longer product promoting.
