

## Private Global Health and Mental Health Companies to Present at CAI's 2022 DMV Investor Forum

**Bethesda, Maryland Sep 13, 2022 ([Issuewire.com](https://www.issuewire.com))** - The Center for Advancing Innovation (CAI) is holding the 2022 DMV Investor Forum on September 23rd in Washington, DC at the Children's National Research and Innovation Campus in the Ward 4 Opportunity Zone. At this Investor Forum, private companies addressing global health and boosting children's mental health will present to investors for funding.

A spectacular lineup of speakers will create the foundation for the forum. Rosemarie Truman, the Founder and CEO of CAI and Co-Founder and CEO of Ignite Social Impact, Sheri Sobrato Brisson, the co-founder of Resonance Philanthropies, Colonel Matthew Clark, Chief Executive for Medical Portfolio, JPEO-CBRND, Department of Defense and former Director of COVID-19 International Response Operations on the White House COVID-19 Response Team, Kolaleh Eskandarian, VP and Chief Innovation Officer at Children's National, Carol Nacy, CEO at Sequella Inc., and more will speak on how they are advancing technologies to impact the world.

Presenting companies will pitch from CAI's open innovation challenges with support from Resonance Philanthropies of the Silicon Valley Community Foundation, Children's National Hospital, United States Economic Development Administration (EDA) Build to Scale (B2S) Program, the Walton Family Foundation, and more.

Rosemarie Truman said, "Through the 2022 DMV Investor Forum, we will increase availability and access to capital for private companies that are developing solutions to global health and mental health threats, leverage the companies to create knowledge-based jobs for all talent, and promote and preserve the Washington, DC metro area's identity as a leading life sciences ecosystem. We are grateful to our generous hosts and partners at Children's National for making it possible, and we look forward to additional Investor Forums with them in the future."

Presenting companies have raised over \$23 million in funding thus far. CAI invites investors, interested in evaluating presenters for investment, to register for the forum at the link below:
