

Pro-Clean Janitorial Services Helps Reduce Spread of COVID-19 in Greater Toronto Area

Toronto's top cleaning company provides disinfection services to reduce the spread of infection.

Pro-Clean

Toronto, Ontario Sep 2, 2022 ([IssueWire.com](https://www.issuewire.com)) - Pro-Clean Janitorial Services, today announced continued and expanded disinfection services for businesses throughout the Greater Toronto Area helping to minimize the spread of COVID-19 and other infections. Various health officials have exclaimed the possibility of an increase in coronavirus infections in the upcoming months, with the possibility of near-pandemic levels. All businesses and persons need to continue to follow all health guidelines and protocols to minimize the risk and spread of infections.

At the beginning of the COVID-19 pandemic, Pro-Clean developed several highly impactful cleaning and disinfection solutions that significantly helped reduce the spread of infection across GTA businesses. The cleaning company ensured that all surfaces and touchpoints were disinfected using a hospital-grade disinfectant, while also applying a protectant that keeps surfaces free of bacteria for up to thirty days. Furthermore, Pro-Clean provides emergency coronavirus cleaning services to companies throughout the Greater Toronto Area, including Peel Region, that have experienced a shutdown or a high number of virus cases sourced from their business. The cleaning company is extremely meticulous in ensuring the highest level of disinfection.

John Panousis, the owner of Pro-Clean Janitorial Services, stated, "We at Pro-Clean are always ready to meet the challenges of our clients. Our company will continue to maintain a proactive approach when it comes to delivering janitorial solutions that help combat the spread of COVID-19."

Pro-Clean provides custom janitorial services to commercial and office businesses throughout Southern Ontario. Their team creates custom cleaning solutions to address the unique needs of the clients' operations.
