**Fresno, California Sep 25, 2022 ([IssueWire.com](http://IssueWire.com))** - Public Works Compliance Advisors (PWCA) is excited to announce the launch of their new website, [publicworkscplianceadvisors.com](http://publicworkscplianceadvisors.com). or [pwca-ca.com](http://pwca-ca.com) for short. The site was created with the needs of construction business owners in mind, with a focus on state and federal [prevailing wages](#), [certified payroll](#), and construction compliance.

"We are excited to launch our new website and offer our clients a one-stop shop for all their Prevailing Wage and certified payroll needs," said Michael McCoy, Vice President of PWCA. "We want to make the compliance process as easy as possible for our clients so they can focus on what they do best."

### Department of Industrial Relations

Prevailing Wage laws are complex and ever-changing. As a business owner, staying up-to-date on the latest changes is essential to ensure compliance. The website offered a wealth of resources on Prevailing Wage law and certified Payroll, including year-round, in-person seminars, entry-level and advanced-level webinars, and legal representation.

Visitors can also sign up for free consultations to learn more about how PWCA may be able to help them with their compliance needs.

"There are many moving parts regarding Prevailing Wage and certified payroll compliance," said McCoy. "Our goal is to take the guesswork out of compliance for our clients so they can avoid costly fines and penalties."

Public Works Compliance Advisors is a website that provides comprehensive compliance services for public works construction companies. PWCA ensures that contractors and engineers follow the correct

Prevailing Wages and Certified Payroll procedures.

PWCA also offers advice on how to stay compliant with the Department of Industrial Relations, [Division of Labor Standards Enforcement](#), and [Federal Davis-Bacon](#) regulations.

The website contains resources and information on compliance with the necessary construction regulations.

Contractors and engineers can find everything they need to know about prevailing wages, certified payroll, compliance, Department of Industrial Relations, DIR, Division of Labor Standards Enforcement, [DLSE](#), [Labor Compliance](#), [Labor Code Compliance](#), and Federal Davis-Bacon all in one place.

Public Works Compliance Advisors is the leading compliance resource for construction companies.

Their easy-to-use website makes it simple for business owners to find the information they need to comply with all prevailing wage and certified payroll regulations.
